High quality Electric strike with competitive price

Place of Origin	Guangdong, China (Mainland)
Brand Name	PROYU
Model Number	PY-EL10
Face plate	150Lx39.5Wx28H(mm)
Standard Structure	Stainless Steel
Dual Voltage	DC12V
Electric Current	170mA(electrify then unlock)or 220mA(electrify thenlock)
Fail Safe	Locked when energized (PY-130NC)
Fail Secure	Locked when unenergized (PY-130NO)
Safety function	Built-out voltage spike suppressor
Performance Testing	one hundred thousand times aging test
Opening Mode	90 degree swinging door
Suitable For	Wooden Door, Metal Door, Fireproof Door.
Net Weight	0.4kg
